

## **Blue Tree Resort at Lake Buena Vista 2006 Annual Meeting**

The Annual Meeting of the Blue Tree Resort at Lake Buena Vista Condominium Association was scheduled for Monday, January 22, 2007. As in the past there were not enough proxies submitted to hold an Annual Meeting. A total of 1,399 proxies were received, however, a total of 2,103 were needed for a quorum to enable your Association to hold the meeting.

Directors James Bonds and John Sgarlata were present. Director David Seigel was absent. There were 41 owners present in person.

Despite not having a quorum, the information update was presented and the two Directors present, along with resort staff and SPM management entertained queries from the owners. It was the consensus of the owners and Directors present that due to the expense involved, there will not be a re-scheduling of the annual meeting.

We have included a copy of the information that was presented to all those present at the meeting for informational purposes only.

Thank you to all those who participated either in person or by proxy.
